PROFESSIONAL SUMMARY

Frontend Developer and BCA graduate with hands-on experience in HTML5, CSS3, JavaScript, responsive web design, and DOM manipulation. Familiar with React.js, Git, GitHub, SQL, CRUD operations, and debugging. Completed an internship at NLC India Limited with exposure to Python, SQL, database management, and software development. Seeking an opportunity to build user-friendly and responsive web applications.

PROFESSIONAL EXPERIENCE

Internship Trainee | NLC India Limited

MAY 2025 – JUN 2025

- Gained practical exposure to software development, programming, and database management activities in a professional environment.
- Developed and executed Python programs for data processing, automation, and basic application development.
- Designed and managed relational databases using MySQL and applied database concepts to practical tasks.
- Wrote SQL queries involving joins, filtering, data retrieval, validation, and database operations.
- Assisted in understanding system requirements and preparing technical documentation for assigned development tasks.
- Applied debugging, logical thinking, and problem-solving techniques while working on software and database assignments.

PROJECTS

Solace House – Responsive Hotel Website | HTML5, CSS3, JavaScript

- Developed a responsive multi-page hotel website with clean and user-friendly interfaces for hotel information, rooms, services, and booking-related sections.
- Built responsive layouts and interactive frontend components including navigation, search functionality, buttons, and JavaScript-based interactions.
- Applied structured HTML, reusable CSS styling, JavaScript, and DOM concepts to improve consistency and user experience.

React Frontend Project – Web Application | React.js, JavaScript, HTML5, CSS3 | anusha7646.github.io/react-frontend-project

- Developed a responsive frontend web application using React.js with reusable components and structured UI.
- Implemented interactive user interface elements and client-side functionality using JavaScript and React.
- Designed responsive layouts for a consistent user experience across different screen sizes.

Education

Bachelor of Computer Applications (BCA) | Annamalai University, Chidambaram
Anandhan Memorial Matriculation Higher Secondary School

2023 – 2026
12th – 2023

SKILLS

FRONT-END DEVELOPMENT

HTML5, CSS3, JavaScript, React.js, DOM Manipulation, Responsive Web Design, Bootstrap

UI DEVELOPMENT

Responsive Web Design, Component-Based Development, Interactive UI, Multi-Page Websites, User Interface Development

PROGRAMMING & DATABASE

Python, SQL, MySQL, CRUD Operations, Relational Databases, Database-Driven Applications

TOOLS & PLATFORMS

Git, GitHub, Visual Studio Code, Figma

CORE COMPETENCIES

Frontend Development, Web Development, Responsive Layouts, Debugging, Problem Solving, Team Collaboration

SOFT SKILLS

Communication, Logical Thinking, Teamwork, Problem Solving, Continuous Learning, Adaptability
